Education

- Ph. D. (2005) Massachusetts Institute of Technology (Linguistics)
Thesis: *Syntactic Edges and Linearization*
Committee: Prof. David Pesetsky (Chair), Prof. Daniel Fox, Prof. Shigeru Miyagawa, Prof. Norvin Richards
- M.A. (2000) Seoul National University (Linguistic Theory, English Language Education)
Thesis: *Interactive Attract Theory in A-movement* [written in Korean]
Committee chair: Prof. Hyun-Kwon Yang
- B.A. (1998) Seoul National University, *summa cum laude* (English Language Education)

Professional positions held

- 2017.3 - present Full Professor, Seoul National University [with tenure]
2012.3 - 2017.2 Associate Professor, Seoul National University [tenure-track]
2007.2 - 2012.2 Assistant Professor, Seoul National University [tenure-track]
2005.8 - 2006.12 Assistant Professor, SUNY Stony Brook [tenure-track]
2012.2-2013.1 Visiting Research Scholar, UCLA [on the sabbatical leave]

Professional Membership

- 2008-present Editorial Board of Journal, *Syntax* [John Wiley & Sons Ltd.]
2013-present Editorial Board of Journal, *Linguistic Variation* [John Benjamins]
2011-present Editorial Board of Journal, *Korean Linguistics* [John Benjamins]
2013-present Editorial Board of Journal, *Language Research* [SNU]
2008-2013 Editorial Board of *Natural Language and Linguistic Theory* [Springer]
2011-present Associate Editor, *Studies in Generative Grammar*

Research Interests

Syntax, Syntax-Semantics Interface, East Asian Linguistics,
Psycholinguistics (Second Language Acquisition, Neurolinguistics)

Publications
