Agreement
to use the
Korean Sentiment Lexicon

I, _____, a person engaging in research and development of natural-language-processing, computational linguistics and related fields, apply to use the information designated as the Korean Sentiment Lexicon subject to the following understandings, terms and conditions. This agreement describes the terms and conditions between User/User's Research Group and Computational Linguistics Lab at Seoul National University, in which User will receive material, Korean Sentiment Lexicon. These understandings, terms and conditions apply equally to all or to part of the information.

1. User agrees to use the material received under this agreement only for non-commercial linguistic education and research purposes.

2. Summaries, analyses and interpretations of the linguistic properties of the information may be derived and published, provided it is not possible to reconstruct the information from these summaries.

3. Small excerpts of the information may be displayed to others or published in a scientific or technical context, solely for the purpose of describing the research and development and related issues. Any such use shall not infringe on the rights of any third party including, but limited to, the authors and publishers of the excerpts.

4. When publishing or presenting any related research with Korean Sentiment Lexicon, the relevant reference must be specified.

5. Except as specifically permitted above and as necessary to use and maintain the integrity of the information on computers used by the organization; the display, reproduction, transmission, distribution or publication of the information is prohibited. Violations of the copyright restrictions on the information may result in legal liability.
